“A boat travel along London” (Поездка по Лондону на корабле)

Выполнила:
Лисяная Виктория,
ученица 5 класса
Руководитель:
Панова И. Л.

пос.Польяпольское
2019

GOAL

to be ready for a trip to London.

TASKS

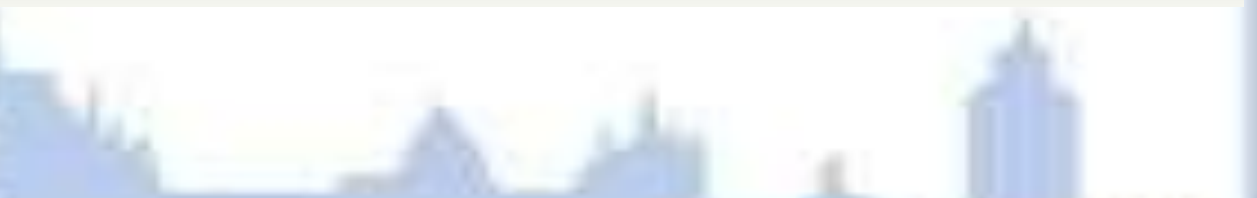

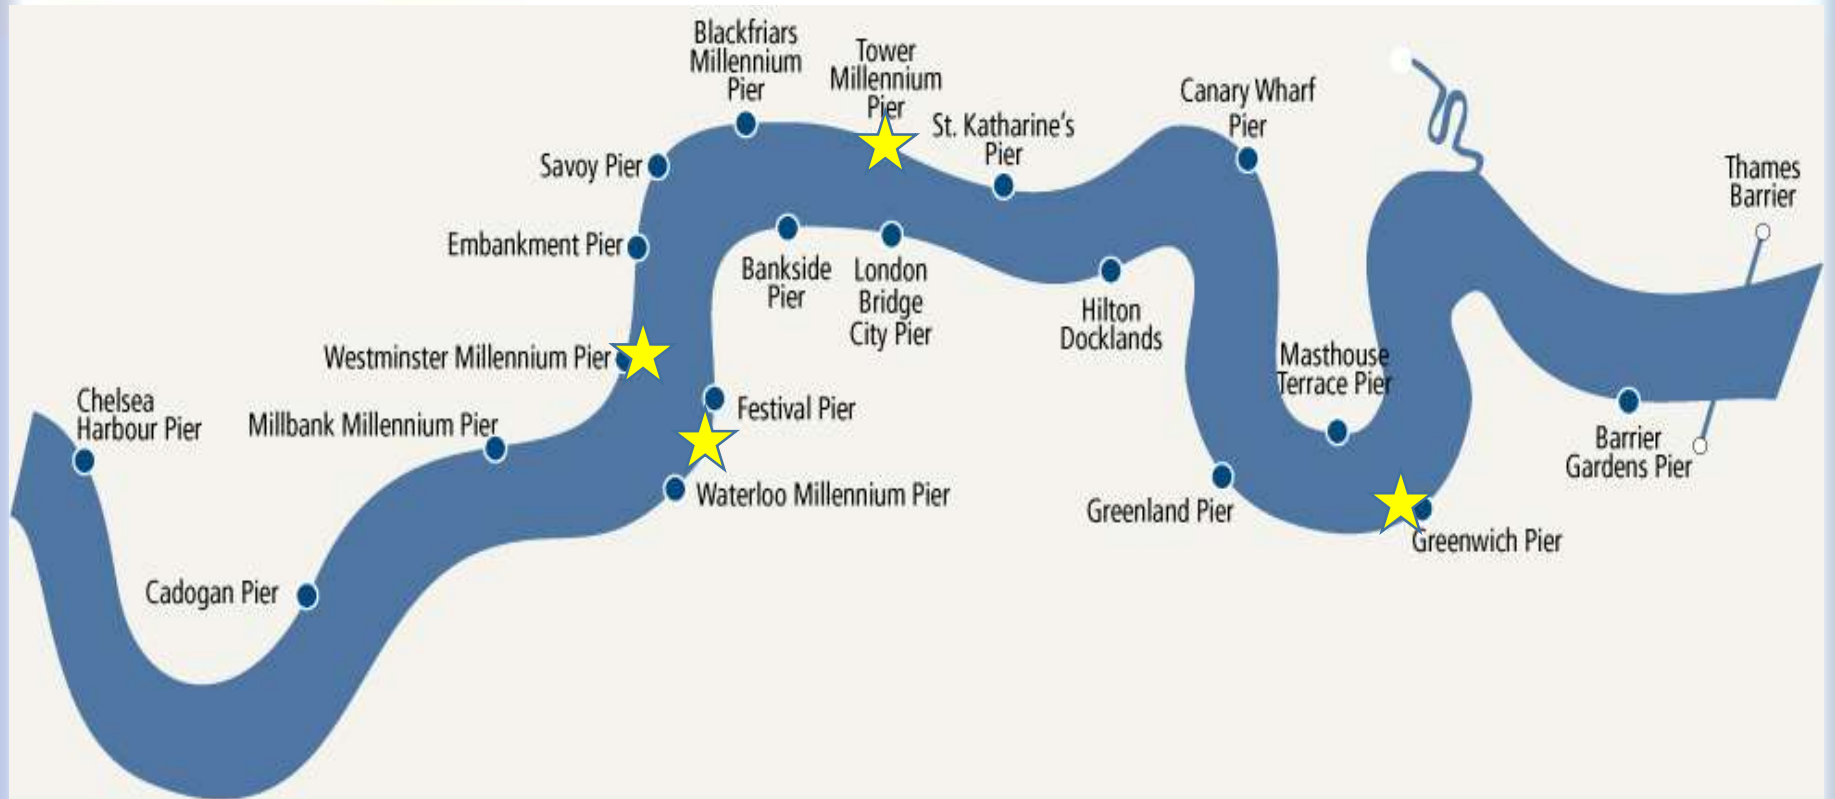

to study:

- where and how I could take a boat ride;
- what sights are available from the Thames;
- what the pros of such a trip are.

LONDON

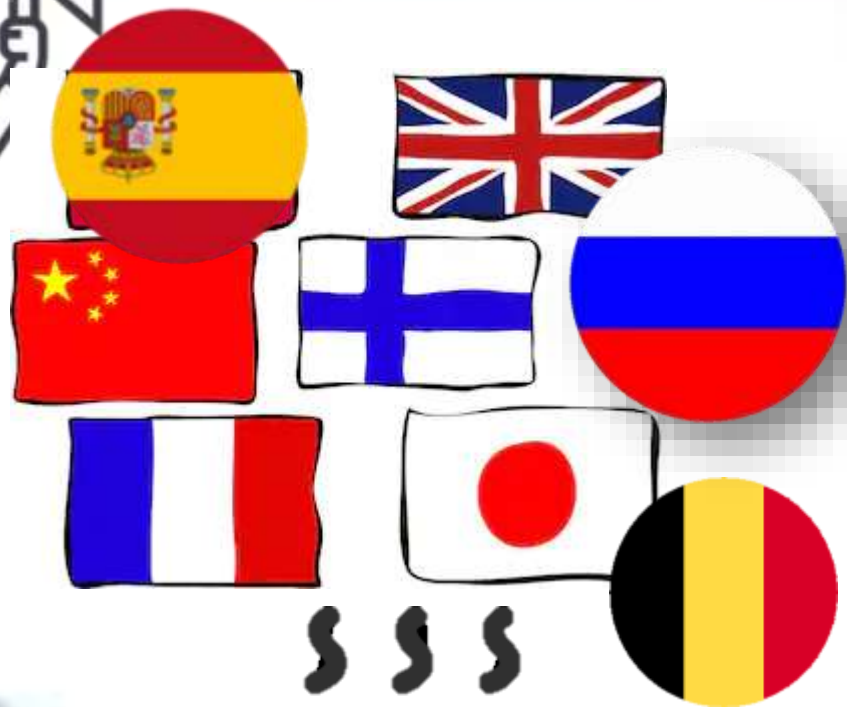

LONDON

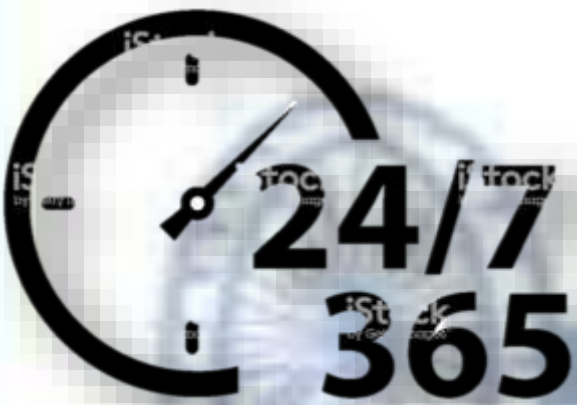

FACILITIES

FA
LETTERS

£10.25

LONDON EYE

The Houses of Parliament

St. Paul's Cathedral

Tower Bridge

The Shard

Millennium Dome

Thames near Greenwich

COCLUSSION

My project goal was to prepare for travelling to London.

I have known

- ✓ where and how I could take a boat ride;
- ✓ what sights are available from the Thames;
- ✓ what the pros of such a trip are;
- ✓ fact about sights available during the cruise.

I think if I go to London someday, I will not have troubles with tours and the English language.

LONDON

Thank you for attention!
